By [Ms Swati Aggarwal, Business Analyst](#)

This year PTU has taken a significant initiative to evaluate affiliated Colleges in order to add more credibility and transparency to the existing information system. This information has been made available in the public domain where students and parents can easily access the same. Details regarding the Ranking procedure and criteria followed have been discussed below.

Ranking Procedure

Eligibility: All PTU affiliated Colleges established in or before 2006 and offering courses in B.Tech were eligible for the ranking process.

Criteria on the basis of which ranking would take place was decided by a committee of members containing experts from within PTU and an external agency, NetIIT.	Parameter	Weightage
Five parameters were decided upon by this committee on the basis of which the Colleges would be ranked. The details of weightages given to these parameters have been given in the table.	Academic	35%
	Performance	
	Faculty	25%
	Public Perception	15%
	Placement Records	15%
	Infrastructure	10%

Apart from this, all Engineering Colleges including the ones established after 2006 were ranked on a single criterion of Academic Performance as well. Further Information about these colleges can be accessed in the Booklet titled [“Ranking of Engineering Colleges: Students Information Booklet 2011”](#).
